Re: Certification of CPNI Filing-February 10, 2006

To Whom it May Concern,

We are filing this certification on behalf of and for Mobile Relay Associates and its affiliates (collectively, "Licensees") which hold land mobile radio licenses.

The Licensees have not and do not sell customer information to anyone.

The Licensees maintain all customer information and records, both paper and electronic, in a secure location.

The Licensees have trained all personnel to maintain customer records as proprietary information and to not share such information with any outside parties.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark J. Abrams", written over a horizontal line.
